Our Mission: Ballard Center partners with families to achieve stability through early childhood education and needs-based services.

Our Vision: Since 1965, Ballard Center has served an important role in our community by offering safety-net support services, which includes emergency services to families to promote stability, and quality early childhood education at an affordable price. These services strengthen families and create lasting change. We believe that the first step in changing lives is to acknowledge that the disparities brought about through poverty exist and strive to address the barriers our children and clients face in finding safety and support.
